

Pineville N.C.
April 7th 1891

Mr Elias Carr,
Old Sparta N.C.
Dear Sir & Son:

Our Alliance
Pineville, No 413. is one
mile from G. C. line & we
frequently have applications
from good men for mem-
bership in our alliance.
Is there any way for us to
receive them without viola-
ting the constitution?
We have at this ^{time} an application
from one of the best citizens
of this section of the country, whom

I fear it is the
good part of his
is in his State, and
my membership on
in his State, and if he
not join our alliance
will be forced to go a
considerable distance over
in to S.C. to join an
alliance in that State.
which he will not do, in
all probability and our cause
will suffer by it

Hoping to have an early reply
I am Yours Respectfully & gratefully
J. H. Burnett
