Mr. Elias Carr,

Old Sparta, N. C.

Dear Sir:

I have asked Miss Kate Staley, Middlebourne, W. Va., to apply to you for the position of governess or teacher in your family. She teaches all the branches you name, has had experience in teaching in this line of work, is an Episcopalian, and is over 30 years of age. I think if you can get her you will have just what you want.

I have also written to Miss Mattie Bowman and Miss Louise Phillips. I do not know whether they will apply or not.

Yours truly,

C. J. Albert.
