Dear Sir Brother

In this county we have
a large No Mulder's called Croatan
Many of Whome have joined the
Democratic party in the last
few years - and some party
has been among them organizing
some kind of an association
called the alliance - and
among the obligations they have
to take is to vote the Republican
Ticket - Now what they desire is
to be allowed to connect them-
selves with the alliance - and
we desire to retain them as
votes in our county and in the
Democratic party - They are
very fond of association and
formality - Is there any pro-
bly which we can organize
into an alliance, I think
could of course if they
form our own party
I write for information
request and Mr

tant for the democratic party
and the welfare of our county
please give me any information

And should you be able to com-
mission an organizing officer
you will please appoint J. L.
McLean.

I am of the opinion that you cant
do any thing but hope you will
let me know when I can get
the power

have we any Col alliances in
this State that you know of

Yours fraternally

John McMorison
