July 21<sup>st</sup> 90.

Mr. T. J. J. W. F. C. N. C.

Dear Sir and Bro.

I received

Your welcome letter and read  
them with pleasure I indorse  
what you say exactly and  
you may be sure that I will leave  
nothing undone that I can do for  
A. I have the honor to head the  
list of delegates from St. Paul T. S.  
we have 4 as true A. men as will  
be at Lammberg the 29<sup>th</sup> I believe Bot  
will give him a majority on the  
first ballot several of our most  
"prominent" Alliance men are in

favor

of Row and are in favor of giving him a solid vote from Pot on the first ballot but some of us second class "of ali'ance" have a little more back Bone than to vote against our sentiments I told Donie M. Deou that I was in favor of Ah and I expected to show my respect to him first last and all the time the County Sec and my self as well as many others have written for the Robertsonian in favor of Ah but not one word can we get published and he would not have published yours had he not have feared not to several people believe here that M. D. has injured Row in this County and we fully believe this and I believe his days are numbered as County Treas.

I tell you some body has  
 got to stand up or the alliance  
 is gone up in Rob about all the  
 office seekers in Rob are in favor  
 of Row. and are in sympathy with  
 the Robertson because the Rob  
 has had a great deal to do in <sup>the</sup> past  
 in getting men in office and they  
 think that if they don't endorse  
 the Rob it won't endorse them  
 but it is fast losing its influence  
 in this direction and col Row.  
 must realize this fact. If the  
 Editor of the Rob was so much  
 opposed to the article written by  
 the staff correspondent why did  
 he not come out in the Rob  
 and say so and not be doing  
 around by private letters I hope  
 you will ask him this question some  
 body has got to come down to business  
 I wish you could see Pres Car  
 and explain this case of M G's

and get him to ans. is as  
nearly direct as possible in the  
shape of a question and ans.  
then are Res- being passed by  
several Sub. al. and being sent  
to Back Swank asking them to  
dismiss him at once and I  
think something from the State  
Pres would be of great benefit  
right now. we regret very much  
that you are not prepared to  
take hold of a paper right now  
but of course it is to your interest  
to go to school I certainly feel  
the need of more education my-  
self and I am studying strong of  
going to school well as I have  
more writing to do I will close  
for the present hoping you much  
success. please write to me again  
D. P. H. Smith

I very much desire that you  
should meet us at Laumburg  
I think you would be of great  
benefit to us there  
Please & care very and badly  
written letter PPA
