

Waverly Forest N. C.,
July 24 1890.

Col. Elias Carr,
Old Sparta, N. C.
My dear Sir and Bro.,

I have just recd
a letter from Bro. D. B. Humphrey of
Robeson in which he seems to want
me to explain something, and you
to do something. I do not understand
him, so I enclose his letter. I send you
two copies of Robesonian also which will
help me to explain what I think he
wants of me. Editor M. D. wrote me a long let-
ter regarding my article stating that he
was quite opposed to the former articles being
published - was away at the time or it would
not have been done - ~~that~~ he had published
all mine "except the last paragraph
which for lack of room was crowded
out" &c. &c. That last paragraph, however, was

one I intended to carry most weight.

Bro. A. seems quite exercised and wants it seems, to remove Bro. W. D. (Ed.) either from membership, or from the County Organ ship, or both — praise-worthy objects, but I don't see how he is to get at it, or that it is the thing to do. I think the alliance in Robeson is sufficiently tired of him and some day will withdraw from him.

We are now sure of Alexander & the 6th district is quiet, which counts one more Alliance farmer for Congress & one less lawyer.

Bro. Ramsey of Prog. Farmer has been laying on with boldness that is not to be discounted. I admire the part he has played in the Dance sensation.

Bro. Payne of Robeson needs just a little more of the "poison" that he got at last State Alliance, & I claim the honor of the duty to administer it, both publicly & privately. I shall drain the vial.

With best wishes, I am,
Truly fraternally,
D. May
