Dear Sir & Brod

You will please
inform me if a farmer whose
income of his farm is $\frac{1}{5}$ and a
small store with not more than
\$600⁰⁰/₁₁ dollars worth goods can become
a member of the Farmer Alliance.
We have some men in our county
who would like to become members
who have small stores for their hands
to keep them at work. Now these
men are well known in my county
and would make us good members
they are deeply interested in our
good work Inform me dear Sir at
your earliest convenience I am Sir

Fruitfully yours R.D. Tracy
