

OFFICE OF _____

L. L. POLK, President,

National Farmers Alliance and Industrial Union,

511 Ninth Street N. W.,

Washington, D. C., Aug 4 1890.

Dear Bro Minburn

What are

your chances for election?

What do you want done?

Who manages your campaign?

Can I aid you - if so how?

If Cheatham is nominated I
have a good negro alliance
here that will come down into
Halifax, Mr Warren and beat
him there. He is all right.

Write me.

Faithfully yours

D. H. Rittenhouse
