Dear Sir

When
is a member clear of Book?
When an man pays up his
quarterly dues and he clear
he is provided he does not
subscribe to anything else
If an man subscribed to
the State business Agency fund
and promise to pay the same
until Jan 1 - 90 and paid
and then every member of
the same Lodge says & agrees
to pay before they receive the
new and still paid do you
consider them clear of Book

What are the Books?
Is such a member clean
of Books?
Yours ever yours to hear.
& fraternally.
