Mr Elias Carr

Dear sir & Bro.

At a meeting of Alliance
Apr. 1890. held July 26.

there was a man present
who asked for membership
in our Alliance.

He had made application
to the Alliance at Franklin
and had been rejected, but
the sub. secretary failed to
notify the county and state
Secretaries, and therefore we
had not been notified of
his rejection.

Our Alliance received his
application and as he was

present - he was initiated (all
done at the same meeting).
Since then we learn that
the County Alliance will
withdraw from us if we do
not exclude this man. (He is
a Country Physician) and has
an office in (Franklin)

Now we want to know
what to do. If you think
we have any grounds to exclude
him ^{or} we would like to know it.
His general character is not
very good. But there are lots
in the Alliance whose character
is not any better in some
things than his is.

Please answer as soon as
possible.

Fraternally
