Mr. Elias Carr.

I am a member of Tabernacle Alliance No 805 one of our members had gone in to the Merchandising Business selling undecidings and at our last meeting I brought the matter up he was present he stated to the Alliance he wanted to remain in the Alliance. I contended that it was contrary to the constitution some one moved to refer it to the committee which was not put to the Alliance a motion then was made to take a vote to see how many was willing to let him remain in the Alliance and the majority said let him stay in the said that the thought that the majority should rule. I claimed an appeal but finally said I would let it alone for the present. I will tell I could write to you please let me know your opinion and advise me how to proceed in the matter I thought I was right but if not. I wish to know I am yours with respect
