

Winton, N.C.
June 22nd 1891

My dear Sir.

I wish some Alliance information, and hope you will do me the kindness to give it. Is it against the rules or principles of the Alliance for one to solicit subscription for books or papers other than Alliance literature? Would the doing so render one ineligible for membership under the Constitution? By answering you will very much oblige

Yours Fraternally
J. G. Joyner
Winton,
