Our aim is to have it incorporated
Under a law under the control of
of State Alliance as a Branch of the
National Company Bro. Alonzo Wardell
Pres of Association says he will try
to attend our state meeting in Aug - at
Morehead City - I do not know yet
whether I can attend state meeting or
not -

We are required to take out License
and enter regularly at present which we
propose to do about 1st of Aug next.

It seems very popular with the
very where and will succeed where properly
introduced Please tell some friend in your
Co. to apply for an soliciting ^{to me} license and
thus procure a good man to introduce
it in your County Beside protecting our
brethren from the extortion of monopolis-

gth of the order Any assistance you
will be greatly appreciated
Gratefully yours
