My Dear Sir

I am sick to day consequently cant
come up. But have requested Mr Johnson
to have the seeds sucked & carried to River
Please make out an Itemized Statement of
Each parties cotton & seeds as Mr Johnson
may instruct you and send me by my
boy to night - The object of this is to know what
each party or crops has carried so I can know
how to credit his a/c After finding out
what Balance of Rent is due if any I have
a bout one hundred bbls corn due at the
Swain place & will deliver at your request the
Balance in corn, Please make application to
Swain him to deduct some Rent this year

Mr Carr I only get this year from all the crops but
about one hundred bbls corn to pay me for all I have furnished
including fertilizer & all supplies your action in the matter
will be highly appreciated
Yours truly J. H. Smith
