Dear Sir & Bros =

Will you kindly
give us your opinion to the following
question. After a county alliance
has elected its Business agt and
fixed his salary has the Ex Com
by virtue of their office a right
to raise said salary without the
knowledge or consent of the Alliance
or after so doing neglect or fail
to notify County alliance for its
approval or disapproval, and
further allow the agent to draw
said raise of salary out of
the funds placed in the

houses of the agent as Business
Agency Funds. This matter will
come up for adjournment in
our County meeting Jan 7th next.
I have the opinion of the Chairman
of State Ex Comm and have
written to Pres Butler for his
ruling or opinion and I assume
your opinion as our
worthy Ex President will
be greatly valued. Hope
to hear from you at
your earliest convenience.

Patronally yours
