Mr Elmer Carr Jackson &
 May 24

Allow a Cardman and old Confederate
 (who, although very ill, still lives) that
 old old State, with the same dignity
 as he did, years ago, when he asked
 his friend to defend him to open
 his correspondence, and to say, that
 the "People's" election by you further
 with success has from him,
 great personal pleasure, and that
 he truly believes, it was the best
 could have been made

your own modesty (although so well
 qualified) is not seeking, as a
 guarantee for your own life
 and well

With best wishes for your success,

I am Sir

Very Warmly and truly

Lawrence S. Barker
