Mr. Elias, Can.

Dear sir & Co.

I was not at our State Convention, but I understand every thing went off harmoniously, Nothing could have pleased me more than the bearing of your nomination for Governor, with a State ticket & with our Noble Elias, Can. at the head of it. I feel sure that every thing will be right. Knowing as you do that our present system of County Government is the best system for the East, under the present system of our County finance are getting in a pretty condition, under the former regime and it was voted a disgrace to Eastern N.C. I assure you that you have our here full Congratulations & that Crown County will do all in her power to put you in our State Mansion, putting as we do, that we could not put a better man in the Governor Chair. My best wishes for you & our State ticket, I am yours, Fraternaly,
H. Linn
