

Empire N. B.

May 26th 1892.

My dear Mr. Carr:

I always
made it a rule, to let the
smoke of battle lift, before
I expressed myself as to a fight.

I will now say, that the
convention could not have
done better, in the nomination
for Governor: in fact, the
entire ticket is a good one.

I might say a good deal
more; but you can appreciate
my feelings, from what I have
said. May you continue to
prosper, and be happy, is the
wish of

Your friend J. M. Parker
