

Thomasville N.C.
June 11th 1892

Hon Elias Carr.

Old Spartacke.

My Dear Sir.

I had a short talk with you, soon after you were nominated, I told you, that I had voted and Davidson County, soled against you. every time, it being a Strong Hoel-County, Hoel, is one of the largest land owners, and farmers in the County - owning the great Jersey and Spiwooper farms, the delegation, all but my self, came home mad, the old Democratic - element of the party, was very much out of good

spirit's, but things are in much
better condition - how soon they
were - and will be all O.K.
by the 15th of Nov -
show to the point.

We want you to come
to Thomasville on the
24 day of June - and we want
you to come bad. Which is
next Friday week -

The Masonic Lodge of this place
will have on that day for the
benefit of The Babbs Exchange
at this place - and for the
Orford Orphan Asylum
1 day. We will have two
or three local speakers - without
any fixed program - we want
you to come - as your first
and off - in the company -
not to make a political speech -
but have liberty to say what -

You please. first or last
on Politics. Then ^{or} Masonry) (I
dont know that you are a
mason. If you be not. it will
not differ.) You can talk
on. The African books. at
Orford & Thomasville.
If you should prefer
to talk on. The Farmer
Allied & Farming. That
would do you good.
Any way. We wont
you to come. If you
possibly can. I
be think it will be
the best send off. You
can get in the State.
Before the Company leaves.
We are anxious to have
an answer. to this ~~letter~~
at once. as our time
is short to get out.

As it is possible -
Will you please Telegraph
me on receipt of this
if you can come.
No mistake. If you
are - sure you can
come - let me ^{know} if you
are not ~~sure~~

Please let me know -

And very much obliged

Yours very respectfully
