Hon. Elias Carr,

Old Sparta, N.C.;

My dear Sir:-

I write to say that I am very desirous of having a political gathering at Whitakers on the 4th. July. If properly managed I feel quite confident that we can have a large attendance of the disaffected element of Nash and Edgecombe. I would propose that Gov. Jarvis and Mr. Alexander or Mr. Sanderlin be invited to speak. Of course you would be present and address the people. In my opinion it is high time that the key note of the campaign was sounded- and it is altogether important that it should temper and relieve the situation by words of warning, calmness and harmony. Will you let me know at once your views and wishes in regard to these matters?

In conclusion I wish to say that whenever, wherever and in whatever capacity I can serve you in the coming campaign I wish you to feel at perfect liberty to command my services. I expect to take an active part in the

canvass in this county and district, but if in any other locality I can
serve you then I am at your commands.

Very truly yours,
