Hon Elias Carr

My Dear Sir + Bro

Allow me
to Congratulate you in your wise
Selection of Chmn of Ex Committee
to run the Campaign, had you
unfortunately selected Mr Battle
who I understood was your first
choice, I fear it would have been
fatal to our hopes, on acct of his
business connections, - I hear charges
preferred against you in this County by
some strong influential Baptist, That
"you are a member of the Roman
Catholic Church," I have answered, "I
think not," If not please state to what
church if any you belong to, or better
still, write me such a letter in
answer to this, as I can have published

in my County paper as will set the
question at Rest or Abide -

"Things" are indeed in a critical
Condition over here, our County
Alliance Elected 3rd party men to
all prominent positions + sent a
3rd party man as a delegate to the
State Alliance meeting, many other
Counties I hear have done the same,
I fear me it bodes no good to our
State Ticket, and am satisfied it
does not to the Alliance, From my
observation I don't think there is
more than half dozen men in this
Section who are in favor of a 3rd
party State Ticket. Unfortunately though,
they may be the men chosen to
meet Lindsay 16th Sept next, 90 per
cent of the Alliance in this County I am
sure will not vote for Cleveland
were the Election tomorrow, + do not
think time will make any impression
on them, the outlook is sad + dark
indeed, Ours at once Hatanwegs M. L. Wood

After a while will visit
 Abenehead for a season.
 I was told by some of his friends,
 who were with him a day or
 two ago, that he was hopeful
 for the future. One half of the battle
 is over, that is, yet I fear the
 enemy sapping his vitals is
 too strong to be conquered by
 resolution, clergy or human
 aid - In fact he is physically
 all to pieces - There are too
 many balls & bars & springs to be
 readjusted & renewed in his
 frame to even hope for final
 recovery.

If you think I could aid
 you in any way at any time
 her date wait to command!
 Yours very truly,
 Edward A. H. H. H.
