

Mooreville N.C.

Nov. 9, 1892.

Hon. Elias Car:

My Dear Governor:-

Allow me to present
my sincere congratulations! I am most
happy to greet you as the coming Chief
Executioner of our good old North Caro-
lina; I know you, as I always say,
as the worthy successor of Fork and
Scales, and Jarvis, and Vance.

My enforced nomination, as Elector for
the 7th Dist. prevented my carrying out
what I greatly preferred, the exons of
of the State, especially in your interest.
After the first week of September, I
was confined to my own Dist.

2
when however I know I did much
good. A sense of duty performed is
my sufficient reward.

It is a matter of poignant
regret that I was compelled to be
in Montgomery, 75 miles from home,
when you and Gov. Jarvis were at
my home: but it could not be
avoided.

Now, my long time friend I propose
to hold up your hands. Command
your servant, absolutely command
me, at your will.

I am in all sincerity,

Your friend

A. Leazar
