Elias Carr Esq.

Old Sparta N. C.

My dear Governor:-

It gives me heart full pleasure to extend to you very congratulations on your triumphant election. I am glad for every reason - because my friend is honored - because I am going to have him for a near neighbor for four years - and because my State will have in him an admirable, clean high-toned level-headed kind-hearted and patriotic Governor. I am simply delighted - and over the general result too. It was a fraud victory all along the line, and the Country is safe as it would not have been if the plutocrats had won - The people have overthrown the money-power. I am satisfied that the brazen attempt on the part of the Republican party to buy them or cited such indignation in them as to have had a marked effect on the result - It is glorious - I must write to his and congratulate her -

My wife and Kemp have both been sick the latter seriously with gastro-intestinal catarrh but the little fellow is all right now tho' still in bed. Love to Mrs Carr the children - Tell them that we shall all be delighted to have them for neighbors - God bless and prosper you in your exalted position -
Your faithful friend
Rich^d H. Lewis
