Messrs Elias Carr & Son
Gents

I am in receipt of a crosk
of fine butter, bearing your shipping mark,
for which I desire to thank you.

I rather suspect that Will is the perpetrator
of this much appreciated "outrage" on
the part of old Boyhood days. At all events
I am the happy possessor of some very fine
butter which I am enjoying to the full.

Whoever may be the donor's I am
thine's to command

Respectfully
A. P. Bryan
