RALEIGH, N. C., 23. June 99

My dear Governor

Some friends of yours have asked me to write
& ask if you would accept a place on the Board of Agriculture
There is a vacancy in the board caused by the death of a
member whose name I have forgotten - of course it is a
small affair for you to consider, but it was thought
that as there was very little to be done, you might not
object to have some excuse to come up say for
month to see your friends & spend a few days
I am not arguing that in any way but promised
to write you in relation to the matter & ask you
to consider it: - if it should be considered yours

happy. With the best wishes for you & every member
of your family I am
