Dear Elias:

What success on your  
last trip? From your letter I  
should say that you did a terrible  
amount of flying around. I have  
about made up my mind that I  
will have to do some of it, am  
exceedingly nervous - sleeping little or  
none, & all "broke up". Don't know  
what ails me as I have been  
living very prudently & quietly. The  
first time, I believe, I was ever in  
such a condition. Went to Phila.  
yesterday for the day on a little  
business & was astonished & find  
such a difference in temperature  
between W- & that point. People were

wrapped up in heavy coats & it looked  
like winter in June. I thought  
I would sleep after the trip but I  
did no better than usual, & in  
consequence have a raging headache.  
Write me the results of your  
journey.

Hasting & affly,

Burtin
