

We went to church yesterday
and staid all day at
regular all day meeting.
I have not caught one a
bean as yet they are a very
scarce article around
here. Alice & I will leave
Portau and go to
Olivia's tomorrow but
will be back here Sat-
urday or may be sooner.
so just send my letters
to Sign Pine if I will
get them all the same.
I am very very well
now and do enjoy eat-
ing more than any

living person. The fleas
& Mosquitoes are miserable
down here the fleas dont
bite me much but the mos-
quitos are simply awful.
Hell what do you think
I thought me some fancy
work when I was in Pike
Creek and am learn-
ing very fast. dont you
think I am smart. I
will write to you on
Wednesday & you will
get it Friday so must
close good bye & with
much love I am as
ever Yours most devotedly
Lucie
