Wadesboro N. C.

To His Excellency Gov. Carr

Dear Sir.

I received your letter in regard to Mr. Polk Miller's lecture here at an early date. It will be impossible for me to do justice to the occasion though I take great interest in the Vance Monument Association I thank you for the honor you do me.

I have been out among my friends to find a suitable

to undertake the arrangements for the lecture.

I send the name of Mrs. John Y. Bennett of this place as that of a lady who can do all needed as Lady Manager & says she will gladly serve in that capacity.

She awaits your further communications.

Respectfully Yours

Mrs. James A. Lockhart
