

Concord N.C.
June 6th 1893

His Excellency Elias Carr
Gov. of N. C.

Dear Sir

I write to say, I have heard it suggested that you will probably make some changes in the Directory of the N.C. R.R. I will be pleased to have a position on the board.

Mr. A.B. Young will be in Raleigh Friday & will confer with you in the matter, I refer you to him, & can get the endorsement of the business men of the town, & officers of the county.

Soliciting your favorable consideration,
I am

Yours truly
Geo. B. Allison
