EAST CAROLINA COLLEGE

GREENVILLE, NORTH CAROLINA

EAST CAROLINA

Entering the main gate of the college, the visitor's first sight is that of Austin Building

Colorful brick buildings are a tradition on the campus

When classes change, the traffic starts to flow

The new dormitories on the south campus house all men students

Between classes is always a good time for bull sessions

A GROWING SPIRIT

Sports play an important part
in campus life

The walk from Rawl Building to the soda shop is a well-worn path

The long walk to Austin Building is made by many students each day.

Burning the midnight oil is sometimes necessary

A PLACE TO LEARN

Some prefer to study alone

"Take my advice honey . . . buy them!"

AND TO MEET OTHERS

Sometimes there are
problems to talk over

It's not hard to tell who the life of this party is

A little cheesecake never hurt anyone

AND TO BECOME A PART OF.....

There's no way to get around it . . .
you gotta buy a FEW books

Night time is the right time

"Spirit" is the magic word for our leaders of cheers.

THE SPIRIT OF....

...EAST CAROLINA

Mr. Herbert Waldrop administers the oath of office to Dr. Leo W. Jenkins.

Dr. William C. Friday and Dr. Jenkins enjoy the music of the East Carolina College band and chorus.

Dr. Jenkins delivers his inaugural address.

Dr. Jenkins serves cake to Mrs. Jenkins and four of his six children—James, Jeffrey Jack, Suzanne, Patricia, and Sallie Jean.

Friday the 13th of May, 1960, was not an unlucky day in the life of Dr. Leo W. Jenkins who on that date was inaugurated as the sixth president of East Carolina College.

Dr. Jenkins is a graduate of Rutgers University, B.S. degree; Columbia University, M.A. Degree; New York University, Ed.D. Degree and has also done graduate work at Duke University.

In his native state of New Jersey, Dr. Jenkins had served as assistant to the Commissioner for Higher Education in the New Jersey State Department of Education.

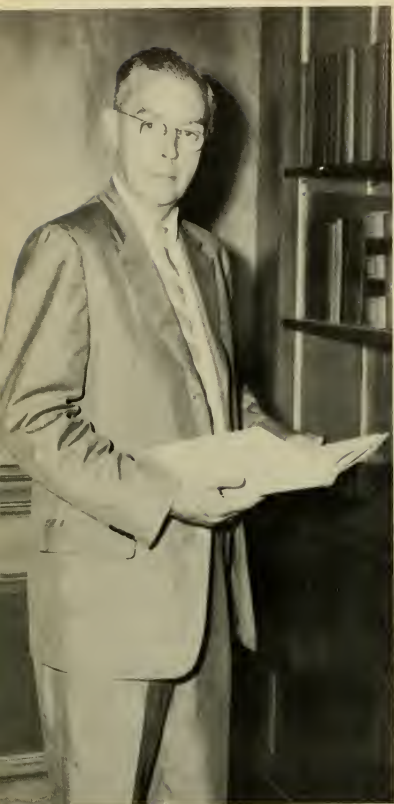

Dr. Jenkins had a most commendable military service record serving as Major in the U. S. Marine Corps. In addition to being head of this institution, he is presently serving as member in the Reserve of United States Information Agency, Atomic Energy Advisory Committee, President of the North Carolina Association of Academic Deans, and Delegate to the White House Conference on Education. Dr. Jenkins also holds honors, membership, and offices in some twenty-five other civic and educational organizations. He is an author, orator, active church member, and a devoted family man.

A crowd of ten thousand witnessed the inaugural exercises, marked by academic tradition and colorful pagentry, on the campus of East Carolina College. Some two hundred robed officials included presidents, deans, and faculty members who represented some thirty colleges and universities throughout the nation. The procession was led by the Governor of North Carolina, Luther Hodges.

“PRAISE TO YOUR NAME SO FAIR”

There are many things to be obtained in life . . . money, fame, everlasting truth, or just a chance now and then to share a few moments of happiness with those around us.

Whatever it is that each of us are seeking, we at East Carolina are all members of a common band. We have chosen to obtain the things we want through the means of higher education. We gamble four years of our lives in hopes for a better return. Books are read, themes are written, exams are dreaded, classes are cut, a few beers are downed, and for some . . . love is found.

In the end, those who remain are a dedicated few. A lot is yet to be faced, but even more has already been faced. At any rate, what lies ahead can be met with a little more confidence now than would have been possible before we came to East Carolina. For this contribution to a search just begun, we offer . . . praise to your name so fair.

MARSHALS

The marshals are elected to their honorary post by popular vote of the student body during fall quarter. Poise, dignity and personality, capable of representing the College at public functions, are the requirements each girl must have to be eligible. The marshals must maintain a "C" average.

Soon after being elected to the post of marshal, they must elect from among themselves one to serve as chief. It is desirable that the chief marshal has had at least one year experience as marshal at East Carolina College.

The College Motto, "To Serve", establishes the duty of the marshals. They must serve at whatever College functions that administration requests, and also, they may serve at functions promoted on campus of the College by any civic group if they so choose.

ORGANIZATIONS

Cooperation . . . Progress . . . New Horizons are the key features of East Carolina College's campus organizations. Cooperation among the group is evident where ever you turn. Progress has been the primary goal as each organization has grown in depth and scope. New Horizons are still carrying these groups forward as they seek bigger and better achievements for their good and the good of the College. Look ahead and be rightfully proud.

JAMES SPEIGHT

PRESIDENT

After a very enthusiastic election, the SGA Administration undertook its task to promote a sense of personal responsibility to the students of East Carolina College.

James Speight was elected to lead the SGA committees in supporting a well-rounded program, subject to the approval of the students of ECC, the faculty, the president of the College, and his advisory board.

During this administration the college inaugurated its sixth President, Leo W. Jenkins. Also under the Speight administration the college welcomed such dignitaries to the campus as Democratic Presidential Candidate John F. Kennedy, Republican spokesman, John Roosevelt, and Gubernatorial candidates Robert Gavin and Terry Sanford.

The 1960 Homecoming festivities proved to be the most successful in the college history.

Only by leadership, integrity, and devotion to duty can progress in the SGA be accomplished—and each committee contributed to the success of the 1960-61 administration.

"Pike's Peak"

It was late in 1960 when the PiKAs finally accomplished what had been their dream since the old Phi Kappa Alphas went national with Pi Kappa Alpha to become the one hundred and thirty-second chapter in May of 1958. The last of the charter members graduating this year will remember this dream from its conception to its fulfillment . . . yes, this was the year the PiKas purchased their "dream house." To go with the new house, fall rush brought a

twenty-eight man pledge class, the largest in Epsilon Mu's history. Along with the work and sacrifice for their new home, the PiKas mixed a generous amount of pleasure. This was the year of the third annual "Concert by the Sea," the third "Dream Girl Ball," a homecoming never to be forgotten, ten brothers getting pinned, three married, and the Nassau and Miami Beach trip for their ninety-second national convention.

Theta Chi became the first national social fraternity on campus March 15, 1958. Since then, the Epsilon Iota chapter has grown and matured to its present state.

Theta Chi has won many awards during this short time. Last year, the fraternity won the two highest awards on campus, the Scholarship Trophy, given to the social fraternity with the highest scholastic average, and the Service Award, given to the fraternity which has been outstanding in its service to the college and the community. This year, Theta Chi won the 1960-61 Homecoming Award for the best float. Under the leadership of L. S. Guy, the present president, Theta Chi hopes to progress even farther.

The brothers are proud of their latest acquisition, a fraternity house, which is located at 414 West 4th Street.

The brothers of Theta Chi are proud of their fraternity, and they are proud of their motto: "Alma Mata first, and Theta Chi for Alma Mata."

The Gamma Rho chapter of Kappa Alpha has made rapid and broad growth in the past year. Its strength now stands at 34 brothers and 28 pledges. Some of the various activities, both social and service projects, include helping to renovate the St. Andrews Episcopal church and raising money for the crippled children's fund.

In the spring, approximately 30 brothers and pledges and their dates attended the Old South Ball in Richmond, Virginia. This event is the social highlight of their calendar year.

The future goal is to procure a fraternity house. This should contribute a great deal to Kappa Alpha unity.

Iota Upsilon Zeta has enjoyed one of its most successful chapter years. The brotherhood operated under an active strength of sixty brothers and thirty pledges.

During the fall quarter, recognition was given to Brothers Basinger, Stafford, Matthews, and Hilgert for their performances on the gridiron. We welcomed the hiring of Mrs. Helen MacAndrews as the new housemother for the chapter house.

Winter proved to be a great social season for the fraternity. Many of the campus social sororities were invited to special house parties. The spring saw the annual Founder's Day continue to be an outstanding event.

In summary, success in intramurals, scholarship and service brought the spirit of brotherhood to the full maturity of Lambda Chi Alpha.

Kappa Delta Sorority was founded on October 23, 1897 at Longwood College, Farmville, Virginia. The history of Kappa Delta is a story of friendship, of youthful ideas, and of loyal service. It was founded by four college girls who sought to create a beautiful symbol for their aspirations and to perpetuate their friendship far into the future. It has been expanded and strengthened by many thousands of loyal college women who have formed their closest ties within its bounds and found self-expression in building its organization.

The purpose of Kappa Delta is to promote true friendship among the college girls of our country by inculcating into their hearts and lives those principles of truth, of honor, of duty, without which there can be no true friendship.

The object of Kappa Delta is the formation and perpetuation of good fellowship, friendship, and sisterly love among its members; the encouragement of literature and education; the promotion of social interest; and the furtherance of charitable and benevolent purposes.

DELTA ZETA

To the world, I promise temperance and insight and courage, to crusade for justice, to seek the truth and defend it always; to those whom my life may touch in slight measure, may I give graciously of what is mine; to my friends, understanding and appreciation; to those closer ones, love that is ever steadfast; to my mind, growth; to my self faith that I may walk truly in the light of the flame. These are the aims set forth in the Delta Zeta creed to which we try to pattern our lives.

Conduct, character, and culture—the three C's of Alpha Phi are as characteristic of the international sorority today as they were of its founders on the Syracuse University campus, Syracuse, New York, in the year 1872. Since the founding date, the sorority has grown to have 72 chapters in the United States and Canada, all bound by our motto, "Union Hand in Hand." Ever true to their love for the sliver and bordeaux, our colors, alumnae and actives alike contribute yearly to our philanthropic project, cardiac aid.

The Delta Alpha Chapter was pledged on the East Carolina College campus on November 21, 1959, and was initiated on February 6, 1960. Other than aiding in the national projects, the Delta Alpha Chapter participates in campus activities and engages in local service projects. An annual project of the chapter is to attempt to make the Christmas of some less fortunate family a merry one, and in this way, become cognizant of the true Christmas spirit.

ALPHA XI DELTA

LUCILLE COULBOURN
President

To Alpha Xi Delta, fraternity is the feeling we have for one another — warm, mutual, confident, strong, and enduring. It is the spark that flashes when we meet a sister from miles distant. It is the devotion we feel toward our fraternity ideals. It is the common bond of understanding which creates friendships in a strange land. To us sorority life is not the enjoyment of special privileges but an opportunity to prepare for wide and wise human service.

Alpha Omicron Pi was founded at Barnard College of Columbia University in New York on January 2, 1897. Zeta Psi Chapter was installed on February 6, 1960, at East Carolina.

Alpha Omicron Pi was founded to bring into existence an organization that would be ever modest, without ostentation; one that has few, simple, and potent symbols instead of a multitude of parading ornaments; one that should never indicate separateness from the college body, but should rather imply service to the whole; and especially an organization whose membership should be based on character and like-mindedness.

Alpha Delta Pi, founded at Wesleyan Female College in Macon, Georgia in 1851, is the oldest secret society for college women. Delta Omicron Chapter at East Carolina College was chartered on February 6, 1960, and became the 100th chapter of Alpha Delta Pi. Alpha Delta Pi stands for "sisterhood and mutual trust among its members; high scholarship; and service to the school as well as to the surrounding community."

Each girl who wears the diamond-shaped badge of Alpha Delta Pi strives to strengthen friendships, uphold the highest ideals of Christian womanhood, and render unselfish service to mankind.

CLASSES

Four years ago we came here, fresh from high school and fresh in college. Four years we spent here, working, studying, learning; mostly happy, sometimes sad. Four years of our life, dedicated to education, but holding many other precious accomplishments. Four years of our life, hard earned, but well spent.

(Left to Right) Frank Madigan, backfield coach; Jack Boone, head coach; Bill McDonald, line coach.

Coach Jack Boone's East Carolina football machine again found itself on the spot. This was to be a year of rebuilding and patience. However, the Pirates, facing a depth problem, made the best of their reserves, winning 7 games and losing only 3. In the conference the Pirates lost only to Lenoir Rhyne, the NAIA champions, and Appalachian.

The Pirates made a strong finish by crushing Richmond University 22-7. This was the first time the Pirates have defeated a Southern Conference foe, and proves that East Carolina has the power to be in the Southern Conference.

Pacing the Pirates were All Conference Clayton Piland, Sonny Basinger, and honorable mention All American Glenn Bass. Along with these were other standouts such as Bill Strickland, Tommy Mathews, Bert Stafford, Nick Hilgert, and Dan Rouse.

With some of these standouts and a few promising freshmen, Coach Boone hopes to add another winning season to his list.

First Row: Coach Jack Boone, Jones Lockerman, Gary Pierce, Vernon Davis, Wayne Davis, Bill Strickland, Glenn Bass, Chuck Gordon, Bert Stafford, Bob Gregson, Clayton Piland, Bobby Bumgardner, Sonny Basinger, Bill McDonald. NEWPORT NEWS	6

East Carolina's "warm-up" game with Newport News Apprentice School provided coach Jack Boone with an idea of what to expect from his team during the 1960 campaign.

Using the second and third units to full advantage, the Pirates had no trouble in subduing the Virginians. Little All-American Glenn Bass climaxed a 65-yard scoring march by taking a pass from Bert Stafford and the Pirates were on their way. Bass scored two more TD's and Henry Kwitkowski added three extra points to lead the East Carolina offensive effort.

On a great defensive effort, the Bucs marked up their first North State Conference victory over a stubborn Guilford team. Halfback Glenn Bass had the game's only score on a 10-yard scamper after a 31-yard

gain by Tommy Mathews had set up the touchdown. In addition to Mathews and Bass, reserve fullback Billy Strickland was instrumental in the win.

Quarterback Bart Stafford passed to end Jones Lockerman for the two point conversion making the final score 14-8. Henry Kwitkowski, Wayne Davis, Chuck Gordon, Vernon Davis received major credit in the victory for their outstanding line play.

Richmond's heavily-favored Spiders returned home in amazement due to the pounding of their proud football team which had suffered a startling 22-7 defeat at the hands of a well conditioned East Carolina eleven. This was the contest which finally brought to light the true potential of the Pirate squad.

Glenn Bass startled the Richmond club by sprinting 96 yards for a touchdown at the begin-

ning of the game. Quarterback Dan Rouse teamed up with end Richard Honeycutt and halfback Bass on two scoring pass plays.

Although being out-weighted as much as 25 pounds per man along the forward wall, the speed and condition of the East Carolina line actually out-classed the Spiders in a fine defensive effort.

Coaches Wendell Carr and Earl Smith plan their game strategy with Cotton Clayton.

The East Carolina cagers faced one of their toughest schedules in history with six lettermen returning from last year's squad. The Pirates finished their season with a 12-6 conference record. Although the Bucs gained the North State Conference lead during the season, they were unable to retain first place. However, coach Earl Smith's crew provided many thrills for the East Carolina fans by their spirited play.

The leading scorer for the team was All-Conference forward Cotton Clayton, who was followed closely by Don Smith and Charlie Lewis. The all-around ability of Lacy West, and the rebounding and defensive efforts of Bill Otte and Benny Bowes added the necessary balance to the team. Danny Bowen, Floyd Wicker, Dave Starrett, Nolan Respass, Sherwood Adcock, Jimmy Fornes, Mal Boyette, and Bryant Tudor supplied the bench strength needed for a winning season. Captain Don Smith is the only Pirate cager lost by graduation from the 1960-61 squad.

BASEBALL

The Buc diamonders did it again. The 1960 Bucs unleashed a brand of baseball that brought them another North State Conference title. Great pitching and timely hitting helped Coach Mallory's men bring the title to East Carolina.

Superb pitching was provided throughout the season by such seasoned performers as Johnny Ellen, Nathan Green, and Larry Crayton. Clutch hitting from performers such as Glen Bass, Wally Cockrell, Gary Pierce, and Jim Martin also helped the Pirates win all but two conference games.

The 1961 Buc diamonders will be gifted with the return of several lettermen and are again expected to win the North State Conference.

In the conference tourney, John West, ranked No. 1 in the conference, won the singles crown and then teamed with Blarnie Tanner to capture the doubles crown.

East Carolina's track team suffered the loss of several lettermen, who were record holders in the North State Conference, and lost their position of supremacy in the North State Conference. Under the coaching of Gary Mattocks and Lee Atkinson the track team took the losses in stride.

As the season progressed, however, they began to improve and placed fourth in the district NAIA track meet.

With new recruits and consistent point makers, Basinger and Stevens, the Bucs are expected to be very improved for the 1961 season.

The swimmers compiled a 4-7 dual meet record while competing against such top-notch teams as Florida State, U. of Florida, U. of Georgia, U.N.C., V.P.I., William & Mary, and Appalachian.

Martinez had to rebuild his 1960-61 team from a nucleus of only four veteran swimmers and one diver from last year's squad which placed third in the NAIA finale in Detroit, Michigan.

Co-captains Tommy Carroll and Tommy Tucker, along with Ed Zachau and Butch Edwards were the only returning swimmers. Diver Bob Kingrey remained as the team's number one platform performer.

Prospects are good for future teams if East Carolina's group of promising newcomers perform as expected.
