Sir:-

At the suggestion of Mr. H. H. Long
of Washington D.C. I write to make
enquiry as to your opinion of him
as regards character-habits & standing.

My acquaintance with Mr. Long
is limited to one meeting and for
reasons, with which it is unnecessary
to bother you but that effect me & my
mind vitally I desire this information.

A prompt & candid reply will
place me greatly in your debt.

Very respectfully
P. A. Murphy.
