Raleigh, July 1st 1894

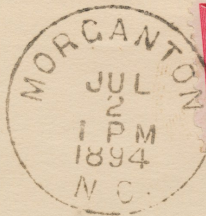

Am Elia's Carr.

My Dear Gov,

I have a letter from
Jesse Vance leaving us to settle the un-
fortunate trouble, as soon as Chorley
gives his assent if you agree I will
without publicly have the remains of
the Gov placed in the center of the
plot and his wife & babe placed by him.
The agents to build the plot as you may
wish either ^{to} the State or the Berean
Bureau of the Association, will you kindly
if agreeable write to Chorley in the
interest of peace to withdraw his in-
junction and I will then fix it up.
I will be here this week.

Very Respy Truly
Jas. W. Wilson
