Dear Sir,

Dear Sir,

You will please pardon
my delay in replying to
yours in Jones March 20th.

The money note which I
wished to send you was not
then at hand, when you
had yamuna it - please
return to her.

I saw somewhere else but
cannot now call to mind where
that Robt Carr Canada
at some point - North and
Calab further South, Virginia
perhaps.

I would be pleased to see
a copy of the will referred to.
My first object in obtaining
Correspondence with you and

Geo. Coffield, Pres.

1848

W. E. Burnett, Cash.

THE
NATIONAL BANK OF SPARTANBURG

There was to find out whether
my wife could have back to
participation in the American
revolution, and which I have
been successful in that object - I
have derived some interesting
family information.

With thanks for your kind attention.
