Gov: Elias Carr,
Raleigh, N.C.
Dear Sir:

Yrs 27th rec'd. The meeting is
set for 10 A.M. 8th not 9th. My
notice says 8th which is correct.

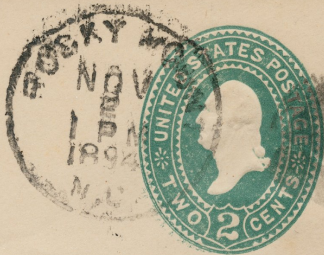

I can meet the others at Garbors House
and walk on up to the Executive Office.
I think a short meeting will be
sufficient but if necessary we can hold
another in the P.M. I would like to
see you a few moments say 5 P.M. 7th

Burnham still favors 8th preferred to
which I am dead opposed and I want
to talk with you for that reason on 7th.

Very truly -

Thos. H. Battle
