Mr Alf A. Thompson.

My Dear Sir:

Mr Lock Lorington
tells me he has been corresponding with
reference to a visit by Fock Miller to this
town. I think the Felt Vance Statue Cause
would be helped considerably by Fock Miller's
lecture here. Mr Lorington informs me it was
arranged for Miller to be here 23rd March.
As the Evangelist Leitch will be carrying
on a "Meeting" at that time, it would be far
better to have him here later - say about
the 1st, or after that, of April. Rather than
miss, of course we would be glad to have him
the 23rd - Will you please write me? Truly Yours
H. C. Wall
