Mr. Fidelity
Sir,

Dear Sir,

No letter has been
received at Statesville for
me containing paper on the Southern.
Do say the Post Master. Did you mail
them, or did the Rail Road people say
they mailed them? Now that I am to go
on that road again soon from Raleigh
to Goldsboro, I would like to know some-
thing about the paper. The Southern
Rail Road people are a very lot
any way. I wish you would ask Mr.
Brown to buy for me a thousand
Mile ticket on the Southern and
as I pass through Raleigh Tuesday
or not, the next day

I can get it from the Ticket Agent.
It is a pity that I did not do
so at first; as it would have saved
a good deal. I see that Tuesday
is an off day with me, and I
may stop off at Raleigh, but I think
it best that Mr. Brown should buy the
tickets and loan it with the tickets
seller so that I can get it as I
prop. What I have left on of the 1st
will have I will have charged up to me.
I may spend Tuesday at Southern Pines
and hope Raleigh Wednesday morning
en route to Good Hope. I made Monroe,
@ Wadesboro all right and had just home
as both places. Truly
Yours
P. W. Miller
