HENDERSON, - NORTH CAROLINA.

Treasury Department,
Office of the Comptroller of the Currency,

New Orleans La. March 2^d 1896

Gov. Elias Carr.

Chairman - Vance Memorial Assn.

Raleigh N.C.

Dear Sir:

I regret extremely that Mrs
Burgwyn's absence from home at this time
prevents her taking ^{an} active part in arranging
for Mr Polk Miller's visit to Henderson.

It would be a source of the greatest pleasure
to both of us could she assist in this noble
effort to do honor to one of North Carolina's
greatest Statesmen & patriots; and it is only her
unavoidable absence from the State at this time,
which renders it impossible for her to do so.

Permit me, Sir, as a citizen of the State to express my
high appreciation of the distinguished manner in which
you have discharged the duties of your great-

office, and to indulge the hope that you
may long be preserved for further honor and
usefulness.

With the greatest Respect

Your obt^d Serv^t

W^m H. S. Burgwyn
