

Yours very truly
Anne

My dear Governor:
My husband is
writing you; but I will
skip this little note in
to thank you so much
for the charming and
most wonderful story
of little Helen. I have
read articles in H. Nicholas
of her, but none so full and
interesting as this; and
I have enjoyed it very
much. It is marvellous, too

then she is in herself a
most interesting character.
With kindest remembrance
to Mrs. Carr and the
little girls:

Yours sincerely
your friend
Margaret Weston Curtis.
