

Wilmington May 13. 1876
Gen Elias Carr.
Raleigh N.C.

My dear Sir,

Since of the 13 Inst I understand
Mr. L. W. Dundy has collected the last
from Mr. L. H. Dundy which I suppose
must have amounted to over \$1000.
Mr. L. W. Dundy's Crop is bound for
the balance due on Mr. L. H. Dundy's
loan for \$150, I see no reason
why you can not collect the
\$150 and interest at once & I
trust you had better do so
at once and send him

Very truly yours.
Geo. B. Dicken.

\$1650.00

One fourth of the Crops of every
description (including fruit)
grown upon the Plantation during
the year 1895 are to be delivered to Mrs
Betty L. Oakley and the proceeds to be
credited on L. K. Oakley bond for \$100,
Should 1/4 of L. K. Oakley Crop not
amount to \$100, L. W. Oakley is to pay
the balance out of Crops grown on
his land during the year 1895.

Signed by

L. K. Oakley

L. W. Oakley.
