SWANNANOA COUNTRY CLUB,
ASHEVILLE, N.C.

July 4, 1896.

Dear Governor -

Yours of 3^d inst rec^d.

If you cant join us at Asheville
- I yet hope you will find
it practicable to do so - join
us at Linville on the 14th
inst. and come back with
with us - You go via rail to
Lenoir, thence by hack or
private conveyance - You will
find no difficulty in get-
ting comfortable conveyance

in fact I want to get away on the 8th —
I am sorry Mrs Larr does not think she
could endure the trip. I am sure
the ride from Senois to Lincoln would
not be too severe for her; that from here
across the country roads through Ypsa
with the accommodation we would perhaps
find en route might be a little rough for her —
Keep well — Sincerely yours —
Geo. F. Swain

at Senois or Blowing Rock —
to Blowing Rock and Lincoln —
a most charming route,
and after you get to Blowing
Rock, over the finest roads
in the mountains — I would
postpone my departure for
you, but have made some
business engagements which
make it necessary for
me to leave, at the very
latest, early ~~Monday~~ on
the morning of the 10th;
