My Dear Governor-

I was pleased to receive your favor of the 12th and in returning here -

Mrs Hoke and her friends greatly enjoyed your nice present of grapes sent us, for which we all thank you.

I enjoyed the opportunity of knowing you better, when you came here, and I will always be glad to see you here -

My family and I appreciate your kind invitation, and they all join me in kindest regards to you & Mrs Carr -

Very Truly Yours
