Governor Carr

Dear Sir

You think it-
strange perhaps I don't write-
because I expect Dr Williams has infor-
med you of my whereabouts,
but the reason is this, I have been
waiting to get my last pictures
which came a few days ago. Yes
Dear Noble generous Gov I am at
home again safe and well I
suffered a great deal but the
improvement in my looks more
than compensate me for that.
I send you two pictures one
before and the other after the
operation, the last one don't-

give me justice as I am im-
proving in looks every day.

Mama says, My Dearest - of friends
please accept - myriads of thanks
for your noble deed, wishing you
and yours a long happy and
prosperous life and a home at
God's right-hand in Heaven I
am very sincerely your little
grateful friend
Susie H. Watkins
