Geo. Elias Carr

My dear Geo,

Enclosed please find Miss Mary Cotton's acch. I will thank you if you can settle it for me. I sent you an acch. about a year ago approved, but perhaps you have misplaced it, so enclose this one. Hope you and yours are quite well. - You will be glad to know I am sure, that I have a fine practice in Durham, and am well pleased with my new home, although I often sigh for a look and a word from the dear old people of Edgecombe. I believe my wife will never cease to long for her friends in Tarboro. With best wishes and kind regards to you all I remain

Very truly Yours
Isaac N. Carr
