ELIAS CARR & SON,

OLD SPARTA, N. C.

Dear Mr Parker:

A party of papers valued at \$667. has been received per Express, and are correct and satisfactory so far as I know. I did not authorize the return of these & I am sorry you saw fit to do so, yet I feel that I ought not to protest against your wish. Your management of this property - has been eminently satisfactory, & I regret that anything should have occurred to bring any estrangement between us. Just now we had best not discuss the matter

& let time heal our differences
Regretting as much as you can,
that the transaction was ever
made, & with best wishes
for you in the future.

I remain

Yours Truly

Elias Clark
