Gov Elias. Carr.

Raleigh N.C

My dear Sir.

Mrs Overby is not prepared to pay her note due the 1st instant and Mr L. W Overby would like to get further time by giving additional Security, for $150,

W. G. Eglon has a Judgement against L.K. Overby, obtained 8 or 9 years which I do not know of at the time Mrs Overby bought the land which Judgement will be good after the homestead expires. L K Overby youngest child is 12 years old and Mr & Mrs Overby are about 45 years old.

L. K. Ousley Cultivated the land last year and his Tobacco and Co'n brought between $700 & $800 besides a fair Corn and fruit Crop and I am informed by Mr L. W. Ousley that he refuses to pay any rent but agrees to rent the place the ensuing year for 1/4 of the Crop which Mr L. W. Ousley will guarantee to amount to $150.

Egerton has offered L. K. Ousley $50 to leave the State so to enable him to make his money out of the land but I do not think that will work, Under the Circumstances you will either have to sell the land and hold Mrs Ousley responsible for the difference provided the land should not sell for the amount due or take additional Security and extend the note now due, Mr L. W. Ousley has his life insured for $5000 for the benefit of his wife and the event of his death that together with what personal property she might inherit would be responsible for the debt Egerton and Ousley will be known on the 8th inst to see if they Can make some Settlement Then for I want to hear from you on receipt of this,

I regret very much that any trouble has arisen about the Matter but hope all will be arranged without any loss. Nana left yesterday and will be with you to day, She is quite anxious to get the place and I hope she may be successful.
