L. F. TILLERY, CASHIER.

Rocky Mount, N. C.;

Feb 6th 1895

Governor Elias Carr,
Raleigh, N. C.

My dear Sir:

Please accept my thanks for copy of Your Message. I have read it carefully and agree with the general verdict that it is one of the ablest state papers ever issued in North Carolina.

It seems to be having a good effect on the Legislators for so far they show nothing radical at all, and I hope that the remaining month will pass off quietly too.

Very truly,

Thos. H. Battle
