

NORTH CAROLINA,
SUPREME COURT.

Raleigh, N. C., 15 April 1895

Hon Elias Carr

My dear Governor,

The "Confederate Veterans Association" desires a sketch (of 10. or 12 pages) written by some member of each of our Regiments, giving a succinct history of its share in the great War. They devolved the duty of selecting these historians upon me and I have as far as possible consulted & ascertained the wishes of each command.

From the letters I have received it is the wish of the Regt. to which you belonged, the 41st N. C. (3rd Cavalry) that you should do them the honor of writing the brief sketch of that Regt. . Gov. Jarvis is writing the 8th and six Generals are writing up their former Regts. . I trust you will accede to this wish of your old command which will also gratify the Veterans throughout the State.

Very truly Yours. Walter Clark.
