

LAW OFFICE OF
JARVIS & BLOW.

Greenville, N. C., Oct 3, 1895

My Dear Governor.

I enclose you a letter from
a Mr Wright in Richmond County which
you can destroy. If there is anything
you can do for him along the line of his
request I hope you may find it agreeable
to do so. I doubt if an opportunity will
offer and I have, in substance, so written
my friend.

It still rains very dry and
dusty with us. The prospect for the cotton
crop is that it is a short crop.

Lotham is very ill. The rest are well.

Truly yours.

Thos. J. Jarvis
