My Dear General
Thanking you
for the confidence shown
it would have afforded me
great pleasure to have attended
both the Planters ~~meeting~~ and the
State Fair. But for the
fact that the Fair has been
deferred to the fall and is still
not being President of our
Eastern Agricultural Association
for the coming year the 22 to 25
require my constant efforts. Hoping
to give our people a suitable
Exhibit. I very much regretted
we happened to have such a late
as Raleigh. Again thanking you
with kind regards to each member
of the family. Especially Mr. Carr
and for Mr. W. H. Culbreth
