Dear Gov. Carr;

I am sure
you are very much
thorod by getting so
many letters from me.
but I am forced to
write occasionally. I
want to ask you
if you will pay my
board for me. I will
pay as much as it
costs I can, but I am
trying to fix my
school room up and

it takes so much
money I can not
do both and I want
to ask you if you
will pay part of my
board for a few months
then I will be able
to pay for it all as
soon as I finish up
with my room for
teaching. Hope to hear
from you by return
mail as I can not do
any thing more until
I hear from you.

Your friend
Annie Cottrell
