

PLATE		OPP. PAGE
XII.	A, Exposure of limestone of the Duplin formation, north shore of Waccamaw Lake, N. C.....	250
	B, Lime sink known as "Natural Well," 2 miles southwest of Magnolia, N. C.....	250
XIII.	Geologic map showing distribution of surficial formations in North Carolina.....	<i>In pocket</i>
XIV.	A, Cobbles from the Lafayette formation in a field near the Weldon-Aurelian Springs road, one-half mile northeast of Aurelian Springs, N. C.....	262
	B, Exposure of the Lafayette formation resting unconformably upon deeply decayed crystalline rock; cut of Seaboard Air Line Railway, 1 mile west of Thelma, N. C.....	262
XV.	A, Thin veneer of materials of the Lafayette formation consisting of smoothly rounded pebbles and cobbles in a matrix of coarse sand, 1¼ miles southwest of Samaria, N. C.....	264
	B, Exposure of the Lafayette formation, cut of Seaboard Air Line Railway, 1½ miles southwest of Lakeview, N. C.....	264
XVI.	A, Flattened pebbles from the beach at Atlantic City, N. J...	274
	B, Flattened pebbles from the beach at Ocean City, N. J.....	274
	(These illustrations are introduced for the purpose of comparison with pebbles shown in Pl. XVIII.)	
XVII.	Map showing the distribution of geological formations of the Coastal Plain of North Carolina, exclusive of the surficial formations	<i>In pocket</i>
XVIII.	Flattened pebbles from the Coharie formation, 1½ miles southeast of Four Oaks, N. C.....	274
XIX.	A, Coharie terrace plain, looking northward along the Atlantic Coast Line Railroad, 1 mile south of Buies, N. C.....	276
	B, Exposure of the Coharie formation resting unconformably upon the Patuxent formation, cut of Atlantic Coast Line Railroad, 5 miles southwest of Four Oaks, N. C.....	276
XX.	A, Exposure of the Coharie formation, 2¾ miles northeast of Four Oaks, N. C.....	276
	B, Gravel layer in sand of the Coharie formation, 1 mile northeast of Four Oaks, N. C.....	276
XXI.	A, Exposure of the Coharie formation resting unconformably upon decomposed basement slate, Nashville, N. C.....	278
	B, Sunderland terrace plain, 6 miles south of Rocky Mount, N. C.	278
XXII.	A, Sunderland terrace plain, Nash Street, in the southeastern part of Wilson, N. C.....	278
	B, Sunderland terrace plain, Atlantic Coast Line Railroad yards, South Rocky Mount, N. C.....	278
XXIII.	A, Sunderland terrace plain, street in Lumberton, N. C.....	280
	B, Exposure showing the Wicomico formation, 1 mile south of Old Sparta, N. C.....	280
XXIV.	A, Chowan terrace plain, looking northward, 2 miles northeast of Old Sparta, N. C.....	282
